Allowable Subject Matter

1. Claims 1-34 are allowed.

The following is an examiner's statement of reasons for allowance: None of the prior art of record teaches or suggests a method for balancing a loading of data storage devices containing video data objects attached to multiple computing systems comprising: acquiring a listing of locations of all segments of a requested video data object including all copies of said segments of the requested data object; evaluating the loading of the storage devices attached to the multiple computing systems containing all copies of all segments of a requested video data object; selecting storage devices containing copies of each segment of the video data object having a least loading, if the loading of the storage devices is greater than the maximum loading for the storage devices, the segments resident on said storage device having loading greater than said maximum loading are designated to be copied to alternate storage device; if there are missing segments of the requested data object, each of those missing segments is assigned a file identification and file location, such that those missing segments are assigned to data storage devices having the least load.

Any comments considered necessary by applicant must be

submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Examiner's Amendment

2. An examiner's amendment to the record is attached. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

3. Authorization for this examiner's amendment was given in a telephone interview with Mr. Stephen B. Ackerman (Reg. 37,761) On February 18, 2005.

4. In the claims:

- In claim 1, line 1 please replace the words ``a storage device'' to ``storage devices''.
- In claim 13, line 1 please replace the words ``a storage device'' to ``storage devices''.
- In claim 23, line 1 please replace the words ``a storage device'' to ``storage devices''.

5. In the specification:

- Please replace the abstract as amended. See attachment.
- Please replace pages 1-3 of the specification as amended.
See attachment.

Conclusion

6. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

- Korst (USPN. 6415328) teaches a system for retrieving data in a video server. Blocks of data are read from storage medium. The blocks are stored in at least two different and randomly selected storage units.
- Gardener et al (USPN. 6415328) teach an apparatus and method for data storage and retrieval using bandwidth allocations.
